

PITTSBURGH PIPE

SINCE 1977

CAISSONS & DRILLED SHAFTS

When your construction project requires drilled shaft casing & caissons, Pittsburgh Pipe has the solution.

Customized Fabrication Services

As a manufacturer, distributor, and fabricator of drilled shaft casings we provide virtually all possible diameters, wall thickness, and length configurations that your project requires. We can supply customized pipe that conforms to your project's exact dimensional requirements. This is why Pittsburgh Pipe should be your resource for made-to-order construction materials. This includes:

- Large Diameter Rolled and Welded Steel Pipe
- Turning Slots
- Cutting Teeth
- Lifting Eyes/Lifting Lugs
- Reinforcing/Weld Bands
- Pipe Coatings
- Cross Sonic Logging Tubes

Our Quality Assurance/Quality Control team performs 28 separate inspections and measurements to assure all of the materials we supply meet the specifications you request. We will provide certificates of compliance and test reports upon request.

About Pittsburgh Pipe

Since 1977, Pittsburgh Pipe has been America's supplier of pipes and construction materials for a wide range of industries. Our reputation for rigid quality standards, exceptional customer service, and industry knowledge has taken off with contractors across the country.

THE RIGHT PIPE. RIGHT ON TIME.
